EYEMAX (Made in Korea) Outdoor IR Network Bullet Camera MP4342V | 4.2MP, 8 COB IR, Motorized Vari-focal Lens, 12VDC / PoE

1 • 2.8" CMOS image sensor • High Definition IP Camera Module • IR LED 08 pcs • Upgraded Waterproof Housing (IP 68 rating) • DNR (Digital Noise Reduction) • WDR (Wide Dynamic Range) • Day/Night switch • Easy Installation • Motorized Lens (Focal Length : 3.3~10.5mm)

SPECIFICATIONS

Resolution	4MP High Definition IP Camera Module

Sensor	1 / 2.8" CMOS image sensor
Image Output	Main stream: 2560*1440@20fps; Auxiliary stream and third stream optional
Video Bite rate	32Kbps~8MKbps
Electronic shutter	Auto□1/25 to 1/10000)
Day/Night switch	Auto/color/B&W(Built-in IR_CUT)
DNR	2D, 3D
WDR	Support DWDR
Video Adjustment	Sharpness, Brightness, Saturation, Contrast Adjustable
Lan	10/100BaseT Ethernet auto sensing
Motion detection	Multiple detection zones, variable sensitivity levels
Screenshots	JPEG□capture resolution is the max coding resolution
Security	Password protection and water marker
Mobile APP	VSSMOBILE for both iPhone and Android system phone
Interface protocol	ONVIF/CGI
Power Supply	DC12V/POE(-P)
Power Consumption	<1.7W
